Menopause Awareness Month

Social Media:

October is Menopause Awareness Month! Did you know that 2 million women per year reach menopause in the US alone? It's totally normal to experience changes during this time, but it doesn't have to change who you are. That is why we are proud to offer vFit Gold PLUS. It is a home-use device that can help you on your journey to greater intimate wellness in all phases of menopause and beyond! #letstalkaboutit #menopauseawarenessmonth

Let's Talk About It

BRING MENOPAUSE INTO THE MAINSTREAM

October is Menopause Awareness Month, which makes it a perfect time to shed some much-needed light on a few little-known facts of menopause:

- 2 million women per year reach menopause in the US alone
- 27 million women are coping with symptoms while at work
- Menopause can start as early as age 35

When you know your symptoms, your facts and your options, dealing with menopause becomes so much easier. We are proud to have products to help address the variety of physical changes that occur. If you're ready to start your intimate self-care journey, we recommend vFit Gold. This innovative wellness device was created by women, for women, to promote natural hydration, improve sensation and increase confidence in menopause and beyond. Find out what it can do for you today!
